

## Leadership

**Dr Nadadur Janardhan** is the founded Chairman of Haselfrë Solutions and the mentor for the GRC initiative. He was the former advisor of the United Nations for International Trade facilitation, Electronic Commerce and Governance for over 40 countries in Asia and the Pacific. Prior to that he was an Officer of Indian Administrative Service for over 15 years where he crafted key governance policies and execution strategies for several large projects. He was also the honorary advisor to the Government of Andhra Pradesh from 1996- 2000 for strategizing on their e-Governance initiatives.

He has been offered the UNESCO Chair by the Indira Gandhi National Open University (IGNOU) for governance in the Education sector. He is also the IT Governance Advisor for the Indian Red Cross, Ministry of Health & Family Welfare, Government of India. With inter-disciplinary qualifications (Masters in Electronics and Doctoral degree in Economics of micro-level efficiencies) and experience that is so relevant to issues of integrated governance, Dr. Janardhan believes in having the right team of people for the initiatives at hand to ensure outcomes and successful completion of the project.

The specific intervention of Dr. Janardhan in Tourism related initiatives include:

- ✎ “Practical management techniques to motivate adult learners on community initiatives – a trainers guide”, Published by the National Literacy Campaign Society – Ramanathapuram, 1992
